CLASS ACTION

DISMISSAL**

**NOTED FOR CONSIDERATION:
MARCH 7, 2023**

Plaintiffs Agata Drozdz and Teakre Vest and Defendants USAA General Indemnity Company, United Services Automobile Association, and USAA Casualty Insurance Company jointly move this Court to enter the attached Order of Dismissal, With Prejudice.

I. STIPULATION

In support of the motion, the parties state as follows:

1. Plaintiffs filed this proposed class action in King County Superior Court on March 5, 2020. *See* Dkt. No. 1-2. Defendants removed the case to this Court on June 29, 2020. *See* Dkt. No. 1.

2. Over the past two and a half years, the parties have engaged in extensive discovery, including the production and review of thousands of pages of documents and millions of rows of data and the taking of several depositions.

3. On February 1, 2023, the Court stayed this action for 30 days to give the parties additional time to assess the strengths and weaknesses of their claims and defenses and engage in settlement discussions.

4. The parties have agreed to resolve this matter without further litigation.

5. The parties jointly request that the claims of Plaintiffs Agata Drozd and Teakre Vest be hereby dismissed, with prejudice, with each party to bear their own costs and fees.

6. No motion for class certification has been filed; the Court has not entered any order on class certification; and as a result, no class has been certified in this action.

7. Accordingly, no notice to the putative class is required under Rule 23(e), and this dismissal is without prejudice to the claims of the putative class members, other than Plaintiffs' claims.
